CALVARY CHAPEL • MERIDIAN

Missions

This group focuses on prayer for teams to travel to participate in churches we have planted elsewhere, or in support of another group's work. Opportunities include: planning, administration and travel.

Nursery

This team of caring people provides a safe and inviting environment for parents to leave their infant children with responsible Christians while moms and dads enjoy the service and fellowship with the saints.

Parking Lot

This team serves outside prior to church services to help those arriving find a place to park, answer questions, and be an all-important first impression of the joy of the Lord at our church.

Prayer

Saints gather at various times at the church and in homes to pray over the published list of prayer needs, as well as our ministries and church services.

Prison

This ministry reaches out to those who are incarcerated in the jail or prison system. There are opportunities for men or women to visit inmates and share the gospel, teach Bible studies, lead worship, or assist others who lead those groups.

Ushers

This team desires to reduce distractions during our services and make the building more secure. Areas to serve would include; helping guests locate something, assist people with seating, provide security, serve communion, as well as some setup and cleanup.

Wedding

This team provides resource assistance for the couple getting married, as well as decorating help and direction, wedding planning, setup and cleanup.

Women's

Through large and small group Bible studies, special events, and an annual retreat, we seek to provide a safe, unique setting where women can flourish in their relationship with Jesus and one another.

Worship

If you have a heart to lead others to worship God, you can exercise your gift through singing, playing an instrument, helping with sound, or setting up the stage for the teams. Our worship leaders and teams serve at home based Life Groups, youth ministry, children's ministry, special events, as well as Wednesday and Sunday services.

Youth

These adults partner with parents to help our middle and high school teens prepare spiritually for their life ahead. Using annual camps, outreaches, weekly Bible studies, and serving others, our desire is to encourage the youth to follow Jesus Christ.

Ministry Opportunities

Dear Church Family,

This Ministry Brochure was created to give someone like you descriptions of the local things we are focused on right now. I hope that you will pray over the various opportunities listed, and respond to the Lord leading you personally.

As the Apostle Paul reminded us in Ephesians 4:16, it is God's desire that we serve Him together; "...from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love." Our spiritual growth is a community effort, led by God Himself, and rooted in love.

May the Lord richly bless you and the rest of us as we seek to serve Him!

For the glory of Jesus,
Pastor Troy
