Please help us abide by the Governor's guidelines by adhering to the following social distancing practices.

1. Join us online if you are not feeling well. Once you are feeling better we'd love to have you join us in person.
2. We have lots of space to gather together while keeping a six foot distance between family groups.
3. Save our hugs for later. Six foot distances between people make it hard to hug and shake hands.
4. Enjoy some fellowship outside on the patio where there is plenty of room for everyone to hang out and visit.
5. Face masks are welcome, but not required.
6. The Hospitality Station is now open out on the front patio and ready to serve you!
